## Caroline Ingles

aggressive, but it's also important to just kind of -- for me, I like to stay in my own game and not really worry about what my opponent is doing too much.

### **Q. How is it playing in your home state?**

CAROLINE INGLES: It's awesome. It's really nice to be here and to be in the comfort of my own state. It's not very far, and I have my family here. It's really awesome.
