## Harris English

### Quick Quotes

#### **Q. Kind of crazy, right?**

HARRIS ENGLISH: Yeah, a lot of stopping and starting out there.

I mean, coming off Memphis last week, we had a pretty big rain delay in the last round, so you kind of get used to it. Nothing you can do about it this time of year. I felt like I had a good day, kept the ball in front of me, and played nice. A lot of pars out there on the course.

Course is still playing tough. You've still got to hit fairways and greens to have a chance at birdie. So, yeah, the rain made it a little softer and made it a little easier, but it's a real tough golf course.

#### **Q. Did you try to step on the pedal a little bit when it was a little softer out there?**

HARRIS ENGLISH: Yeah, playing those practice rounds, it was hard to keep the ball on the green sometimes. When it softened up, you could take more dead aim at the flag and spin a couple balls back that you hadn't seen in three days or so.

So it's definitely easier, but like I said, you hit the ball in the rough, you're not making a lot of pars.

#### **Q. How many did you finish?**

HARRIS ENGLISH: I think I got in 13. I think I'm on 4 green right now.
