## Billy Hurley

### Quick Quotes

**Q. Can you talk to me a little bit about the second round.**

BILLY HURLEY: I just hit it in too many bunkers today, too many pitch-outs and everything like that.

**Q. Short turnaround, do you think, affect anything?**

BILLY HURLEY: No. I thought the preparation of the golf course did. That was -- it was tough because of how much the golf course changed between rounds. So it was tough to make that adjustment. That left us guessing a little bit, I think, out there this afternoon.

**Q. Anything in particular you were really pleased with that you did out there?**

BILLY HURLEY: Not really.
