## Cameron Smith

Quick Quotes From:  
CAMERON SMITH

**Q. We talked at the start of the week and you said you'd take even par.**

CAMERON SMITH: Yeah, pretty happy. I could have made a few more putts today, but all in all even par around here, you have to be happy with it.

**Q. We've talked about how you feel you belong, it's your first major and everything else. It hasn't overwhelmed you at all yet. You feel comfortable?**

CAMERON SMITH: Yeah. Just treat it as another tournament, doing my stuff out on the course. I think once you get into the zone it sort of doesn't really matter anyway.

**Q. How did you find that zone so easily?**

CAMERON SMITH: Just hitting shots. You just get out there, get into a rhythm and then everything around sort of doesn't really matter, you're just hitting shots. That's kind of how.

**Q. What are you going to do tomorrow?**

CAMERON SMITH: Like I said, just get out there and sort of get in the zone and keep doing what I'm doing.

**Q. You're getting a feel obviously for the big occasion. The crowds are out there, you're getting a few cheers and whatnot. But you're able to just let that go?**

CAMERON SMITH: Yeah, it's an amazing experience having the big roars when you hit a good shot. And it's sort of never really happened before. It's a new experience, but it's a pretty cool one.

**Q. Are you getting recognition of who you are?**

CAMERON SMITH: A little bit. I get a few, "Go, Camerons" every now and then. So, yeah, I think so.

**Q. Are you getting used to it?**

CAMERON SMITH: Yeah.

**Q. We also talked about the opportunity this week for potentially putting yourself in a legitimate position to make something happen for your future**

**here. That's got to be pleasing, as well?**

CAMERON SMITH: Yeah. And I just take one step at a time. Like I said, just keep putting along, and hopefully a few more putts go in on the weekend.

**Q. How did you manage the wind today? Looked like it was lower in lower places and higher in higher elevations. Did it affect you at all today?**

CAMERON SMITH: Yeah, definitely the shot into the wind down the hill were hard to judge, like 9 and I think it was 5 down the hill. So they were hard to judge. But made a couple of good up-and-downs and got past it.
