Tiger Woods

Quick Quotes From:

TIGER WOODS

Q. I saw you looking down at Jason. What were your thoughts? Were you aware that he had taken ill?

TIGER WOODS: Not ill, no. But I know he was laying down there. And I know he didn't play in Dallas this year because of vertigo. And I played with him at Memorial and we talked about it in depth, and did a blood panel and all that stuff. I hope he's okay. I'll call him as soon as I'm done here and see if he's all right.

Q. You're concerned?

TIGER WOODS: Yes. He's one of my really close friends. I'd like to get out of here and see if he's okay.

Q. Not the two days you wanted, Tiger, is there any consolation?

TIGER WOODS: I wanted to shoot 5 or 6 today. But I wanted to be on the other side of it. But I hit a little bit better today. But, again, I made nothing today. I didn't make any putts the first two days; I hit it better today. Hitting some spots where I could hit some putts; I made nothing.

Q. Where do you go from here?

TIGER WOODS: Just continue practicing, continue working on it. And hopefully it will be a little bit better.

Q. (Inaudible.)

TIGER WOODS: On a golf course like this you get exposed and you have to be precise and dialed in. And obviously I didn't have that. Obviously I need to get a little better for the British Open and I'll keep working at it.

Q. What did you think of the 18th hole as a par-4?

TIGER WOODS: It's tough right now because it's downwind. But that right bunker comes into play. And you've got to take it up the left side. So you either decide: Do you take it up the left side or hit 3-wood off the tee and lay it up for the right bunker? I think it's 324 to the right bunker, but that's nothing downwind like this. We didn't think they'd put the pin there. That was a bit of a surprise on that one.

Q. (Inaudible.)

TIGER WOODS: I'm playing the same events. My schedule is set for the summer. And I'm playing every other week. I'm excited about it.
