Media Information

The Media Center is located in Lancaster's lower parking lot, to the players' left of the driving range. It will open for credential pick-up at 8 a.m. on Monday, July 6. Please be sure to print your one-day gate pass, which you received via email with your credential confirmation, which permits access to the championship grounds for the first time and allows you to bring bags through access points.

Armbands have been replaced by neon-colored, numbered lanyards to make it easier to identify those who are allowed inside-the-ropes access.

Please remember that the prohibited items list will be strictly enforced. **Any bags larger than 6"x6"x6" will not be permitted without a USGA-approved bag tag and a personal luggage-type tag.** USGA staff at registration will be glad to give you the tags you require.

All items will be subject to search prior to entry at any admission gate. Please take great care to keep your bag with you at all times. Any unattended bags, even if an approved tag is displayed, will be removed by law enforcement.

The main interview area is located in the front of the media center. All pre-championship interviews will be held in this location, and select players will be interviewed in this area during and following championship rounds. In addition, the flash interview area will be located behind the player locker room (the men's locker room for members) and is within walking distance of the Media Center.
