

THE WALKER CUP

September 13, 2015

Denny McCarthy, 22, of Rockville, Md.

Royal Lytham & St. Annes, Lancashire, England

Q. Do you just tip your cap to a player who totaled four points over the last two days?

DENNY McCARTHY: He played great all week. I knew I was going to have to play well to beat him this afternoon. I just came out of the gates kind of flat. I think I got a little fatigued both mentally and physically.

Q. You were in the bunkers quite a bit today?

DENNY McCARTHY: Every time I got in a greenside bunker I was on the downslope with a foot out of it. Every time he was in a greenside bunker he was on the upslope with a good lie. I got some pretty bad breaks today. But that's the way it's been going for them, it's their week.

Q. Could you talk about Jimmy Mullen's play over the last two days?

DENNY McCARTHY: He just put it in the fairway. He drove the ball extremely straight and hit on a lot of greens. When you hit a lot of fairways and greens out here, you're going to do pretty well in most matches.

--

Q. Was the deciding factor when Great Britain and Ireland won holes 8, 9 and 10?

DENNY McCARTHY: You could look at that way. Those are probably their two best players so we played their strongest team. I thought we played pretty well. They made a good run there in that middle stretch. It was hard to come back from that, they played a lot of good golf.

Q. Why are they able to complement each other so well as a team?

DENNY McCARTHY: Beau (Hossler) and I did that for the most part. I thought our camaraderie was just as good as theirs. They just seem to have a real good feel for the course. They are both hitting it extremely straight and keeping it out of bunkers. When you are hitting it on every fairway and on every green and giving yourself a look on almost every hole it's hard to beat
