

## **THE WALKER CUP**

**September 13, 2015**

**Jordan Niebrugge, 22, of Mequon, Wis.**

*Royal Lytham & St. Annes, Lancashire, England*

**Q. What was it like playing in a match that went in waves emotionally?**

JORDAN NIEBRUGGE: I just couldn't get anything going. I played well in the beginning and just left a couple of shots out there. I just gave too many holes away.

**Q. Would you do anything differently coming down the stretch?**

JORDAN NIEBRUGGE: On 15 I hit a good shot but it ended up going in the bunker and I just couldn't get up and down. I missed a couple of putts coming in but it is what it is.
