John Cook

Q. So plus 3 today, 3 over. How are you feeling about your performance?

JOHN COOK: Horrible. Horrible. I don't do this enough to get this upset, but I'm so upset that I can't even think. I hit too many good shots to shoot the scores I do. I don't play that much, but that's no excuse. I'm just frustrated.

Q. Was there a certain part of your game that kind of fell apart more than the rest?

JOHN COOK: Yes. I don't make enough putts. I don't take advantage of good opportunities. To beat these great players, you have to do that. I haven't for a couple years. It's starting to wear a little thin.

Q. On a little lighter note, how was it playing again with your two college pals?

JOHN COOK: Great. Joey played great. He really did. Struck the ball nice, made some nice putts. Rod struggled a little bit, but just being out there with those guys was pretty special this week. Had a lot of family and friends and a lot of fans out there. So that was great support. It really was.
