## Rod Spittle

**Q. Good job today.**

ROD SPITTLE: Thank you. It's nice to get done. Get to have some lunch, go have a nap, and see if we're working tomorrow.

**Q. How was the course? Was it any better today compared to yesterday?**

ROD SPITTLE: You know, we finished up -- we played late yesterday. First of all, the course was great, as you know. Everybody has said that. And, again, we started, what, 8:00 this morning. So just a little bit softer, which is to be expected. Nothing drastically different. But the course is still great.

**Q. Congratulations. Played well today. Thank you for everything.**

ROD SPITTLE: My pleasure. Take care.
