## Jeff Maggert

**Q. So conditions much different today than the last couple days. You said on Saturday that the conditions, you liked what the conditions were.**

**Can you talk about today a little bit?**

JEFF MAGGERT: Well, I just -- I didn't play well. I didn't hit any good shots on the front nine. Hit bad drives, bad iron shots, and didn't get the ball up and down. So I knew I was going to probably have to shoot probably, 6, 7, 8 under today to have a chance. You shoot 4 over on the front nine, there's not much you can do.

Anyway, the course played pretty easy. I thought there was an opportunity to make seven or eight birdies out there, but it didn't happen.
