## Virginia Elena Carta

**Q. Virginia, a great match, a great week, as well. I just wanted to ask, when did you start feeling a little bit dizzy throughout the match?**

VIRGINIA ELENA CARTA: I think on the second nine around 11 or something like that. I was not feeling that good, and it kept kind of going -- my coach was telling me to call medicals, and I was like, no, I can do it, I can do it, but then I couldn't do it anymore.

**Q. It seemed like you got a little bit of energy there about 16. Did it kind of come back to you a little bit?**

VIRGINIA ELENA CARTA: Yeah, a little bit, and I was feeling a little bit better. Still like going down and trying to mark the ball was hard, but it's all right.

**Q. And you were part of such an exciting match. Talk about the putt on 17.**

VIRGINIA ELENA CARTA: Yeah, I don't know. I decided, okay, either I make it or it's over, so I gave like my best to make that putt, and it went in. I think it's the only putt that I made today, but it's okay. It was a tough match.

You know, when you're not able to play your best because you're not feeling great, it's okay.
