## Kristen Gillman

**Q. Talk to me about today. How did it go?**

KRISTEN GILLMAN: It was pretty good. I played pretty solid. I had a lot of pars. Not many bogeys. Had a few birdies, but mostly pars.

**Q. Is that what basically like the goal is, just make sure you make par on these holes?**

KRISTEN GILLMAN: I think a lot of holes out here you want par. There are also some holes you know you need birdie and you need to be more aggressive at. That's always the goal.

**Q. Sure.**

KRISTEN GILLMAN: I feel like par is pretty good in match play.

**Q. Does your game plan change at all once you see other shots that your opponent has, or are you locked in?**

KRISTEN GILLMAN: For today, for the most part I was always the first one hitting into the greens, and so my game plan was to just to play my regular game: just try to go at the pins I know I can and go it safe at the tougher pins.

But, I mean, definitely have to hit better shots and close. You need to go for those.

**Q. Anything in particular you looking to change for tomorrow?**

KRISTEN GILLMAN: No, not really. Just stay out there and play my own game.

**Q. Awesome. Thank you very much.**

KRISTEN GILLMAN: Yeah, thank you.
