

# U.S. Women's Amateur Championship

Quick Quotes

Tuesday August 2, 2016

**Hye-Jin Choi**

**Via Translator: David Lee**

**Q. So congratulations. It was a very good round yesterday and today. You finished with three birdies in a row. That had to be a good feeling. Tell me about your round today?**

HYE-JIN CHOI: Today was definitely a long day for me. I didn't really have the conditions coming into the competition today. The last two birdies, I think I was more relaxed. So I was able to get three birdies in a row. Not good conditions, but, hey, relaxing made it work.

**Q. You've enjoyed your time here so far? You're having fun?**

HYE-JIN CHOI: Yes, with a little hesitation.

**Q. What have you been doing? You've had a very busy summer; what have you been doing to help keep yourself calm?**

HYE-JIN CHOI: I mean, I can't really say I have a lot of relaxation during the summertime. I had the competition and the championship. But I was able to find some time. Like during the practice round, the official practice I was able to pull back some energy I had before. The conditions I was able to measure it correctly so I didn't overdo it in the actual championship. But today was not a very good day.

**Q. Not a very good day, but right now you're still tied for third. Going into match play, do you change the way you play your game?**

HYE-JIN CHOI: Stroke play and match play (Indiscernible), I have to be more focused, especially in the first holes. So I'm going to try to focus as much as possible and make less mistakes as possible.

**Q. Semifinals of the Girls Junior, a great showing. What do you take from your week at the Girls Junior that you can apply to match play here?**

HYE-JIN CHOI: I made so many mistakes during that semifinals, and I actually think I could have won if I didn't make those mistakes. So this time I'm definitely going to reduce. Thinking about the mistakes I made there and try to reduce them as much as possible.
