Shannon Johnson

Q. You looked like you were playing pretty well this morning.

SHANNON JOHNSON: Yeah, definitely. You know, I had such a good tempo on the range and just tried to keep that on the first tee. For me if I get going one way, it's too quick, and things kind of tend to go a little sideways. So for me just got into a super nice rhythm off the start, and just kind of kept it going.

Q. You're the one that finally stopped the Margaret train.

SHANNON JOHNSON: Yeah. She's such a great player and such a good person, and we had a great time out there. But it's nice to -- when you come to these, you want to play the best in the field, and I was lucky enough to get her as a draw and play against her.

Q. You seem to be a pretty speedy player.

SHANNON JOHNSON: Kind of, a little bit. I like to kind of take my time when I need to, and I really want to -- I'm such a visual person and I want numbers, so for me just getting all the info before I hit is the biggest key, and me and my caddie have been working pretty well together.

Q. Now you've got like two and a half hours.

SHANNON JOHNSON: I know, so probably change out the shoes, get those dry, and go grab some lunch. Yesterday I took a nap in the locker room, so I'm going to do that again today.

Q. That's the nice thing about playing fast and winning big, you get that luxury.

SHANNON JOHNSON: Absolutely, I'm looking forward to it.
