Eun Hee Ji

Flash Interview

Q. Well played today.

EUN HEE JI: Thank you.

Q. What was working best for you?

EUN HEE JI: Actually it's a little different today. When I practice round, I hit it longer iron, longer hybrid. But today I hit a wedge a lot. So that's probably help a lot. A lot of difference. So I have to think about a lot of shots, every shot.

Q. Did you hit it close or did you make some long putts?

EUN HEE JI: Actually I hit it close, a couple of putts for birdie. But I made one long putt.

Q. You have one of the best scores in the afternoon. Much different conditions than this morning. I guess you're hoping you get those good conditions in the morning?

EUN HEE JI: Yeah, it's going to be a lot different tomorrow morning. I have to think about on each shot, especially with second shot, I think, because I have to kind of different angle, yeah.

Q. Having had a nice history with this event, does it give you a little more comfort?

EUN HEE JI: Yeah, I won 2009, and I'm trying to think about like good memories. And I hope to do that again.
