## Mirim Lee

### Flash Interview

**Q. Congratulations.**

MIRIM LEE: Thank you.

**Q. What was the best part of your game today?**

MIRIM LEE: I think everything was good, like driver is good and then iron is good. Putting, a couple of missed putt, but not bad. It's good.

**Q. Did you hit the ball close on most holes or was your putter in good shape?**

MIRIM LEE: Yeah, almost like five yards. So today round was easy day -- easy round, yeah.

**Q. How does it feel to be the leader at the Women's Open?**

MIRIM LEE: Today is first round, so I feel just okay, just good play. And then -- just okay.

**Q. Cristie was just saying that she didn't think the USGA is going to like seeing your minus eight score. Do you think things are going to get tougher out here?**

MIRIM LEE: Yeah.

**Q. Are you prepared for that?**

MIRIM LEE: Yeah.

**Q. Are you surprised that the condition of the course -- that you were able to attack it so much? 8-under in a U.S. Open is --**

MIRIM LEE: The course is perfect now. Greens are really fast. I just try make par, yeah, that's it.

**Q. How about the wind? Did the wind come into play at all?**

MIRIM LEE: Not stronger than practice rounds, so not bad today.

**Q. You're smiling. Did you have fun?**

MIRIM LEE: Yeah, this fun.
