Brookside GC Turf Removal Project

Considerations

- Cost and Funding
- Water Savings
- Associated Maintenance Cost
- Playability
- Impacts on Rose Bowl Events
- Community Perception
- Mandates by City Council
- Market Competition

Brookside GC Turf Removal Project

Results

- \$500+K funded by MWD TRRP
- 60 A/F-\$75K in savings
- \$40K net increase in maintenance costs
- More enjoyable and better pace of play
- Retained parking inventory/lost tailgating
- Community has been very positive
- Exceeds Council mandate of 28% reduction
- Rounds have remained strong

Thank you
