Credentials

At Caddie Registration, each caddie with a confirmed player in the 2019 U.S. Open Championship field will receive a credential featuring his or her photo. Credential processing equipment will be set-up in the registration area so “Caddie” credentials can be quickly produced on-site.

If a caddie’s credential is lost or stolen, please notify the USGA as soon as possible as a new credential will be issued and the bar-code on the original caddie’s credential will be deactivated. Caddies will not be able to enter the championship without the proper credentials.

Each U.S. Open caddie will receive one (1) complimentary grounds credential for a guest that will grant admission to the championship for the entire week.

One Day Gate Pass

Upon initial arrival on-site, each caddie will need to present a Caddie One Day Gate Pass to gain entry. The One Day Gate Pass will allow the caddie to enter the championship prior to officially registering and receiving proper credentials. Once scanning commences on Monday, June 10, the One Day Gate Pass will only be valid for one-time use. The Caddie One Day Gate Pass will be supplied to the caddie by their player.
