

119th U.S. Open Championship

Pebble Beach Golf Links | Pebble Beach, Calif. | June 10-16, 2019

THE TIME TO VOLUNTEER IS NEAR!

The U.S. Open could not happen without our volunteers! We are so thankful for the time and willingness you are giving to make the championship run smoothly for everyone in attendance.

With under 100 days until the 119th U.S. Open Championship at Pebble Beach Golf Links, we are making great progress as we begin to finalize pertinent details and communications for the Volunteer Program, including the distribution of schedules, apparel and further championship information.

In the coming months, you will be receiving your final volunteer schedule, apparel package, and will have the opportunity to pick-up your credential packet at your volunteer training session. Please monitor your email address during this time as we will continue to send pertinent updates on the championship and our volunteer program. If you have not been receiving emails, please contact the Championship Office at 2019usopen@usga.org.

Thank you for your continued support of the 119th U.S. Open Championship!

VOLUNTEER AVAILABILITY & SCHEDULING

In November, volunteers received notification via email to log-in to their volunteer accounts and update their Volunteer Availability task. This task was specific to their volunteer committee assignment and allowed the volunteer to indicate his or her preferred days and times of volunteering, in addition to special requests regarding their personal volunteer schedule, such as coordinating their volunteer schedule with a spouse or friend.

The committee chairperson will take the availability information into careful consideration when completing your volunteer schedule for the week of the championship. Please understand the scheduling process takes a great deal of time and effort, and while every attempt will be made to accommodate your requests, not all requests may be granted. We appreciate your flexibility in this matter!

The availability forms included a deadline of January 10, 2019. If you have not done so already, please update your volunteer availability preferences in your online volunteer profile as soon as possible at <https://2019volunteers.usga.org>.

Final schedules and training session times and locations will be communicated to all volunteers in April via email. Please note, each volunteer committee operates on its own schedule during the week of the championship, and therefore, shift times may vary from committee to committee.

VOLUNTEER APPAREL NOTES

All volunteers will be instructed to wear khaki pants or non-cargo shorts when volunteering. Women may also wear khaki shorts or skirts of appropriate length.

Volunteer apparel will be shipped in late April 2019 to the shipping address listed in your online volunteer profile. You have the opportunity to review and change your apparel sizes and contact information until March 31 by logging-in to your online volunteer account at https://cuetoems.com/usopen_2019/login.aspx and updating your Personal Information task.
