

VOLUNTEER COMMITTEE DESCRIPTIONS

Corporate Hospitality:

- Assist the admissions operation for hospitality locations, provide information to clients, and assist them with business functions as needed in their hospitality villages and areas.

Disability Services:

- Transport individuals who require assistance to and from the drop-off areas and the ADA viewing areas via the six-passenger carts.
- Staff and manage the ADA viewing areas located at various locations around the course.
- Assist with the distribution of available scooters on a first come, first served basis.

Fan Services:

- Fan Service volunteers will act as a hospitality arm by serving in a concierge roll to enhance the fan experience.
- Scan all tickets and credentials prior to allowing visitors to enter the championship grounds.

Hole and Grandstand Marshals:

- It is up to the marshal to ensure that players are afforded a quiet and uninterrupted opportunity to compete and move freely around the golf course.
- Signal the gallery to be quiet as players address the ball.
- Follow the path of each player's ball and help spot stray balls to maintain proper pace of play.
- Management of fan grandstands.
- Provide marshal escorts as needed.

Standard Bearers

- Assist with preparing scoring standards for the Championship.
- Committee members will walk all 18 holes with each group to carry a scoring standard.

Merchandise

- Assist USGA staff throughout the merchandise tent in all aspects such as greeting fans, assisting as a cash register ringer, or helping registers by bagging merchandise.
- Assist with customer flow throughout the tent, directing, answering questions, etc.
- Volunteers will staff the "merchandise/bag check" to check and hold merchandise for fans until they depart.

On-Course Distribution:

- Deliver via golf carts printed materials, drinking water and other supplies to various facilities.
- May be required to lift heavy objects (up to 50 pounds).
- Committee activities will be primarily located outside.

Practice Areas:

- Assist with the management of the practice range, short game area and putting green.
- Manage ball distribution tent and sort golf balls appropriately to distribute to players.
- Organize and distribute name placards on teeing area.

ShotLink:

- Assist the USGA's scoring vendor through the use of computer-operated laser-measuring devices to determine ball position information to record various aspects of player statistics, including but not limited to club selection, drive distance and distance to hole.

Volunteer Headquarters

- Assist with managing the operations of volunteer headquarters facilities.
- Assist in distributing food vouchers to volunteers.
- Assist with disseminating information to volunteers.

Walking Scorers

- Walk 18 holes with your assigned group, keeping the player's scores and statistics for each hole.
- Ensure that the standard bearer displays each player's correct scoring information.

Junior Activation

- Facilitate child use of activation activities such as putting, chipping, skee ball, arts and crafts, and exercise station
- Hand out giveaways and prizes to participating youth

Member Services

- Work closely with the host club and USGA championship office to educate members on all aspects of the Championship as well as on the member only areas and details.
- Oversee the access control of member hospitality venues
- Information source for members and member guests
- General cleanliness of member hospitality venues
