

FAN MOBILE DEVICE USAGE POLICY

Fans may carry mobile devices (*i.e.* cellphones, smartphones, PDAs) at the U.S. Amateur Championship and use them for limited purposes on the championship grounds, subject to the following restrictions:

- All device volume controls must be set to “silent” or “vibrate” at all times.
- Phone calls must not be received or placed in any area that may disrupt play.
- Use of approved devices for photographs must fall within the camera/photography policy.
- Video and audio recording and live broadcasting are not permitted at any time.
- Texting and email are permissible throughout all areas of the golf course, but use should NOT disrupt players.

Violation of the above policy may result in immediate expulsion and loss of ticket privileges for the remainder of the championship.
